- HTS
- IHS Solutions
- Information Systems
- Integrated Data Service
- Integrity
- Information Tech
- Intergraph
- Lockheed Martin
- Madison Research
- MTC Technologies
- Netsoft Associates
- Northrop Grumman
- Progressive Consulting Technologies
- Robbins-Gioia., LLC
- RSIS Sumaria
- SAIC
- STAR
- Starzz
- Sumaria
- Tamsco
- TOTALIS
- Virtual Work Products

# IT Acquisition Objective

- Reduced number of contract vehicles
  - Fold into “bridge contract” as they expire
- Coordinated requirements
- Centralized management
- Improve support & value to the Center
- Enterprise viewpoint
- Consolidation synergies

# Interim Acquisition Strategy

- Meetings Between IT, PK, BC, and 78th CONS
- Exercise Contracts with Option Years
- New Contracts
  - Issue to 1 Apr 06 with 3 month option
  - Allows Contract Consolidation Effort
  - Evaluate on Case-by-Case Basis

# IT Requirements

- Technical Services
  - Application development & support
  - PC & server support

# Consolidated Contract Strategy

- Two Contracts: 10 Year \$95 M Each
    - Applications
      - Multiple Award
      - Market Research On-going
    - Server/Desktop Support/Computer Store
      - Single Award
- Partnership Discussion
- Consolidated Contract Vehicles in Place – Jun 06

# Summary

- IT needs industry partners to succeed
- Your feedback is important
