402 MXW FACILITIES – 4.2M Square Feet, \$1.4B Value

402d Maintenance Wing

The Future

402d Maintenance Wing

- Improving Productivity and Efficiency
 - High Velocity Maintenance
 - Development of Standard Work
 - Kitting Integrators
 - Multi-skilling
 - Production System and Reporting Improvements
 - Workforce Development

- Infrastructure
 - Facility strategy and lay out
 - Flight-line improvements (lights, utilities, support equipment)
 - G Ramp

- Partnering

Featured FY'08 Contracts

402d Maintenance Wing

- **Ground Support Equipment - \$51M**
 - Provides maintenance, service, inspection, cleaning, and repair of approximately 5,579 pieces of powered and non-powered GSE.
 - 10 Year contract. Current effort expires June 2018.
- **SMXG IDIQ Engineering Sustainment - \$46M ceiling**
 - Provides sustainment engineering and related manufacturing and logistic support tasks required by 402 SMXG and 402 EMXG.
 - 10 Year contract. Current effort expires April 2018.
- **EMXG Production Support Augmentation - \$26M**
 - Augments organic work force in the maintenance, repair, calibration and certification as required of line replaceable units; shop replaceable units; test measurement and diagnostic equipment; automatic test equipment; and special purpose test equipment.
 - 5 Year contract. Current effort expires April 2012.

Future FY'09 Requirements

402d Maintenance Wing

- **Precision Measurement Electronics Laboratory- (PMEL)**
 - Provides calibration service to over 30,000 TMDE items in support of the Robins ALC mission east of the Mississippi.
 - Currently on solicitation with a proposal due date of “indefinite”
 - Small Business Set-Aside
 - 7 year contract
- **Aircraft Augmentees**
 - Depot On-Site Contractor Augmentee Team to augment the current workforce for Planned Depot Maintenance (PDM) and Unplanned Depot Level Maintenance (UDLM).
 - Competed among 7 primes on the Tinker AFB Multiple Award Contract Field Teams contracts.
 - 2 year contract.

Future FY'09 Requirements

402d Maintenance Wing

➤ **DMAG Maintenance and Repair**

- Scope includes a variety of projects such as HVAC installation, siding and roof repair, elevator replacement, and utility work.
- Multiple projects will be awarded throughout FY'09.
- Will all either be competitive or Saber

➤ **Various Capital Purchase Buys**

- Examples include: C-17 Wing Maintenance Platforms, Etching Shop Renovation, and Construction of Kitting Facility for C-130 AMP.
- Purchases will take place throughout FY'09.
- All will be competitive

➤ **Golf Cart Maintenance**

- Maintenance and repair of approximately 397 Golf Carts will be required. Requirement is currently included in the GSE contract, but will be extracted and contracted out separately.
- Small Business Set-Aside
- 5 year Contract

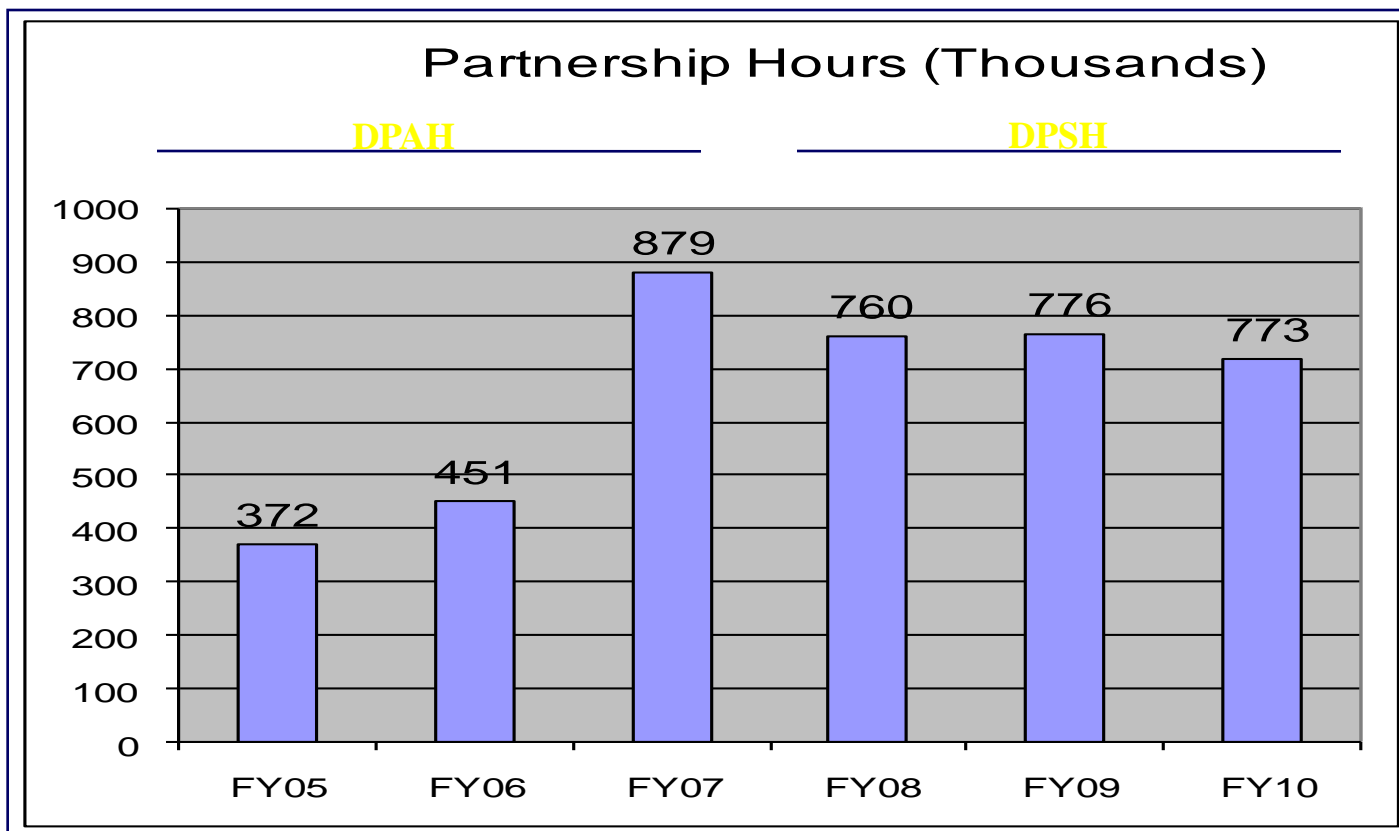

Depot Maintenance Partnership Overview

402d Maintenance Wing

<u>Partnership Totals:</u>	
Signed Partnership Actions:	68
In Work Potential Partnerships:	55+

Types of Depot Maintenance Partnership Actions

402d Maintenance Wing

Direct Sales Basic PAs	16
