How We Support The Warfighter

- 37% New Procurement (buy/initial spares)
- 47% Repair of Assets
- 15% Item Level Re-engineering
- 1% Software Repair Requirements (Contract UUT)

Strategic Alternate Sourcing Program Office (SASPO)

Strategic Focus On Qualifying and Developing Alternate Sources, Parts and Repairs Across Enterprise

- **Integrate and Facilitate Source Approval Requests (SAR)**
- **Identify opportunities for Commercial Derivative Repairs (CDR)**
- **Leverage Diminishing Manufacturing Sources and Material Shortages (DMSMS) -“obsolescence” solutions across DoD**

Bottom Line: Reduce Cost & Increase Competition

1000 Day Strategic Plan

Recognized and respected as a premier Supply Chain Management organization through trusted support, continuous innovation and outstanding people
