

C-17 Globemaster III Sustainment Partnership

GSP FY10-11

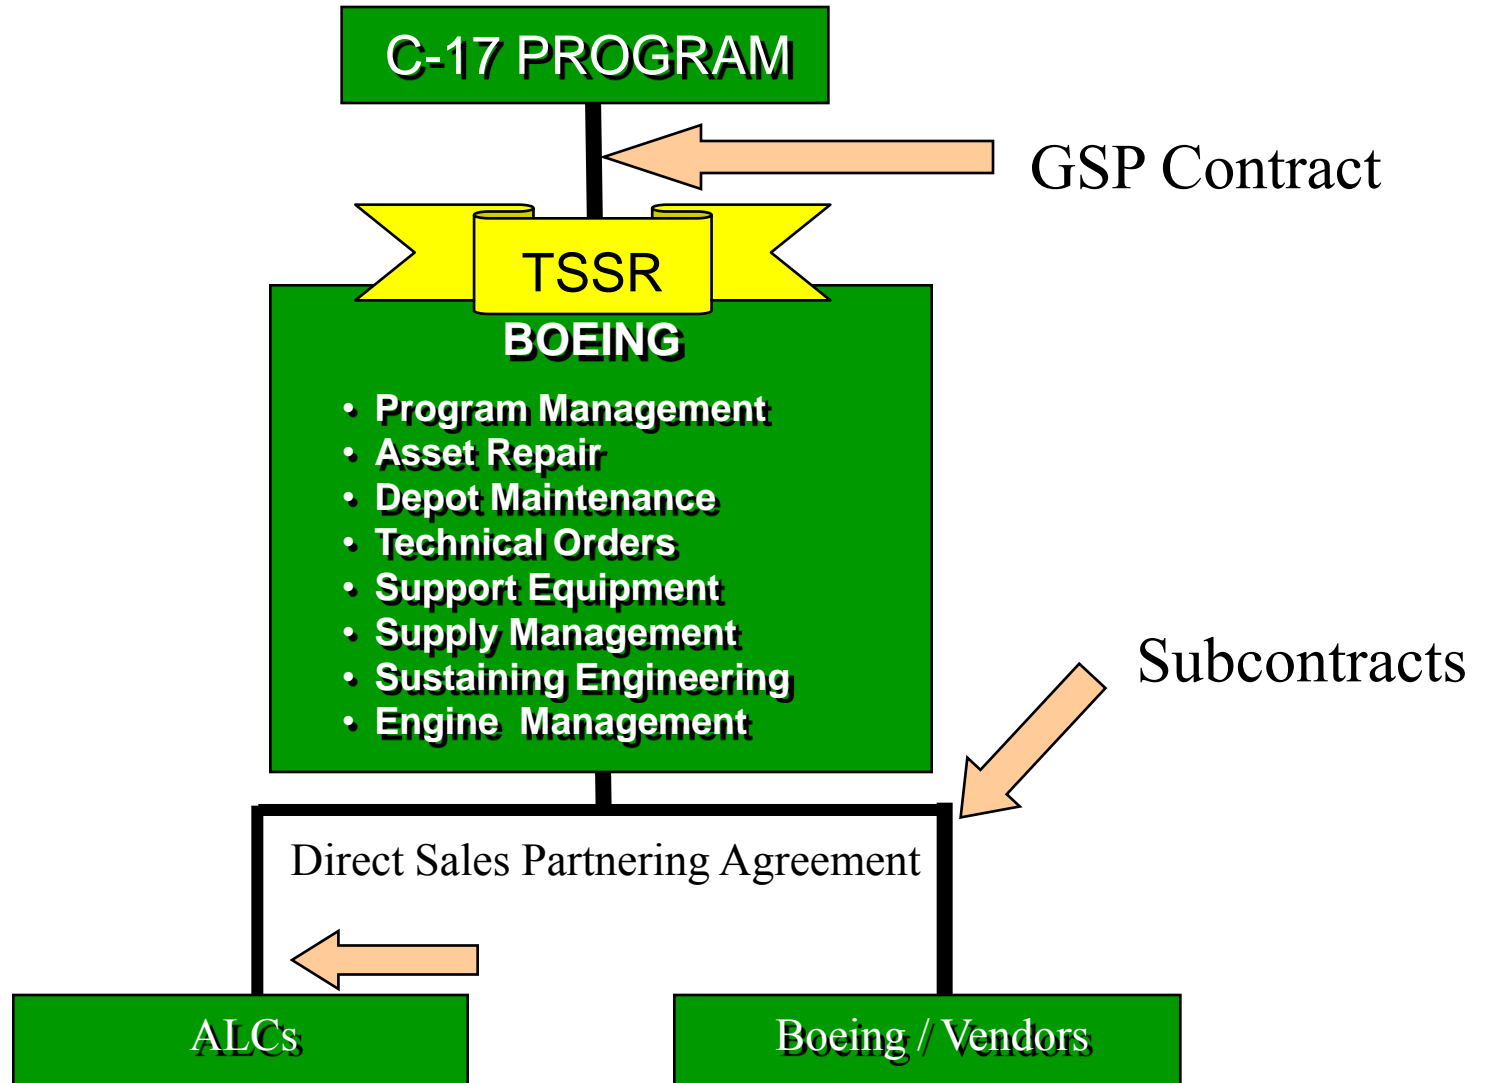

November 2009

Mr. Jimmy Bailey
564th Aircraft Sustainment Squadron
Deputy Director

LOBEMASTER III SUSTAINMENT PARTNERSHIP

GLOBEMASTER III SUSTAINMENT PARTNERSHIP

- **GSP provides the USAF and FMS customers sustainment of the world-wide C-17 fleet**
 - Boeing maintains Total System Support Responsibility (TSSR)
 - Current contract for FY10 supports a fleet of 204 aircraft including FMS, with an option for FY11
 - Integrated support for both the engine and the airframe
 - Total for FY10 is approximately \$1.3B
 - FY11 is a pre-priced option and currently same scope as the FY10 effort
- Boeing will now brief their specific requirements
